BRAND DESIGNS

Spiro V™

Workboard of Spiro V

δ = S + O
 γ = r + V
 $\delta\gamma$ = S + O + r + V

COLOUR PALETTE

Filtered Colour & Gradient Bucket Mix
The gradient color mix was derived from dissolving Spiro V Capsule.

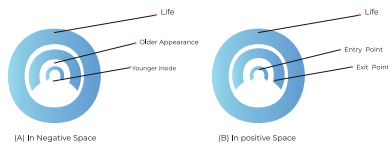

Workboard of Brown Crow

A logo inspired by the famous 'Thirsty Crow' story, incorporating an earthy brown palette to align with their brand colors

Workboard of RESTORY

Life has both positive and negative space. The main aim is to find & restore the younger you in the older you between the entry and exit point

RESTORY

Restore Your Youth!

DAIWIK

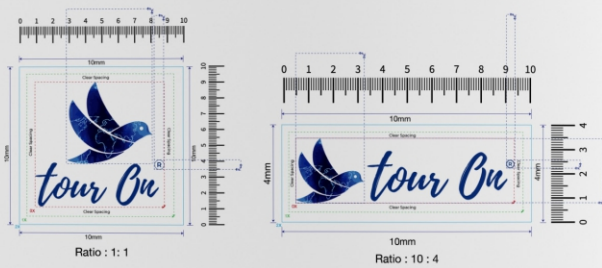

LOGO SPECIFICS

BRAND
Style Guide 2022

All the elements in the logo should fit inside the aspect ratio suggested above. In the case of a 1:1 ratio, the vector and text shouldn't exceed the circumference of a square. In another case, the vector should be centred at the recommended height with the text aligned to the bottom edge. The overall composition should be 10:4 in aspect ratio.
